THE
NELSON
COLLECTION
MONMOUTH.

CATALOGUE.

Wilson & Phillips, Printers, Hereford.

FOREWORD.

This Collection was made by the Right Honorable Georgiana Baroness Llangattock who bequeathed it to the Borough of Monmouth.

The Building was presented to the Borough by her daughter, The Hon. Lady Shelley-Rolls who opened it in 1924.

Lord Nelson was presented with the Freedom of the Borough in 1801, and the original of the Address hangs on the far wall.

In August 1802, Lord Nelson paid a visit to Monmouth, and viewed the Naval Temple on the Kymin, and was afterwards entertained at a Banquet at the Beaufort Arms Hotel.

A most interesting account of his visits will be found in a brochure written by the late Mr. Charles Heath and printed at the "County Observer" Office, Usk, entitled "Historical Sketches of Monmouthshire." This is probably out of print but a copy is in the Collection.
